January 2012 - HAPPY NEW YEAR!!!

Dear Parents

Hopefully everyone had a wonderful Christmas, our Christmas preparations started with the Breakfast and After School Club's Christmas Disco, which was well attended. The Christmas Holiday Club was the busiest we have ever had. Our Christmas Fun Day on the 23rd December was an excellent day, thanks to Tanya and Jackie who provided us with such a wonderful Christmas Lunch, WELL DONE EVERYONE!!!

During 2012 we shall be celebrating our 10th anniversary. This will be an exciting year for us and were looking to involve children and parents as much as possible in our celebrations.

February Half Term - February Half Term is now available for booking, events to look out for will be our group trip to The Science Museum on Wednesday and our optional trips to Reading Climbing Centre on Monday and The Theatre Royal Windsor on Thursday to see The Sound of Music. On the Tuesday we shall be having a Valentines Fun Day, with lots of arts & crafts concluding the day with a Valentines Disco.

Changes to Personal Details - On a number of occasions towards the end of last term, we experienced problems with the contact details that we hold on children not being up to date. It is essential for us to be informed if any personal information changes. Attached to this newsletter is information that we currently hold on your child/ren, please amend if necessary and return all forms back to the club, all forms returned should be signed and dated at the bottom.

Roadworks - Now the roadworks have been cleared parents should now use the Cippenham Primary entrance, may I take this opportunity to thank everyone for assisting us while the roadworks affected Elmshott Lane. I'm aware that during the New Year Dennis Way will be affected while work is carried out to implement the new road layout.

After School Clubs - Please ensure that we are advised if your child is attending an after school club, ideally we need to know the finish time of the club and where we need to pick the child up from.

Swimming Lessons - Our next swimming course starts on week commencing 9th January, could I remind parents that the swimmers return back to the club by 6pm, we've been encountering problems with parents arriving early and sitting in the club so could I ask for parents that arrive before 6pm to wait outside the building until we return.

Derek
